

Gregory B. Baecher, PhD, NAE

Glenn L. Martin Institute Professor of Engineering
Department of Civil and Environmental Engineering
University of Maryland, College Park, Maryland 20742
Mobile +1 (202) 577-6925, Email gbaecher@mac.com

Dr. Baecher is Glenn L Martin Institute Professor of Engineering at the University of Maryland. He holds a BSCE from UC Berkeley and a PhD in geotechnical engineering from MIT. He is the author of six books on risk, safety, and the protection of civil infrastructure; and 200+ technical publications. He is recipient of the USACE Commander's Award for Public Service, the Panamanian National Award for Science and Technology Innovation, GEOSnet Distinguished Achievement Award for contributions to geotechnical reliability, and is a member of the US National Academy of Engineering and of the UC Berkeley Academy of Distinguished Alumni.
